

# PARTY INFO BOOKLET

Great value, unique and not  
crazy loud and overwhelming  
- just some of the reasons we  
have now had 2 parties at We  
Rock the Spectrum!  
**Bridget P, Reservoir**

To have the whole venue  
to ourselves was such an  
incredible experience.  
I've never been so chilled out  
at my own child's party!  
To see all of the kids having a ball  
in such a simple yet dynamic  
space was amazing.  
Thanks We Rock!  
**Jonnie Y, Broadmeadows**

Thank you for the best party we  
have ever had for our daughter.  
Your staff were so capable and  
fun, nothing was too much  
trouble. Everyone left feeling  
relaxed and happy and for the  
first time ever, our son with  
special needs was included and  
was not overwhelmed. What an  
incredible place - all of our  
guests have been raving!

# Frequently Asked Questions

## Why have a party at We Rock the Spectrum Kids Gym?

Our party packages are popular because of the fun yet gentle nature of our Gym. We only host one party at a time, meaning the environment is sensory safe and welcoming to kids of all ages and abilities. We aim to offer a boutique experience rather than a mass produced party feel. Feedback from guests and families is always excellent.

With the option of hiring out the whole space, or just having the party room and sharing the gym space with the general public, there are options to suit all families and budgets.

## Are the parties just for kids with Special Needs?

Definitely not! Our gym is for kids of all abilities and all kids benefit from the fun quality equipment and safe, relaxed vibe of our space - not to mention their parents!

We regularly host mainstream parties and private playdates for families who want a clean, comfortable, boutique experience and the feedback is always amazing.

## How long are the parties for?

Our party packages are for 2 Hours each. Families are welcome to begin setting up 15-30 minutes before the start of their party. We ask that the room is clear and guests are leaving the venue at the conclusion of your 2 hour Timeslot.

## What is included?

### 1-2 Party Hosts

Parties at We Rock the Spectrum include 1-2 party hosts, depending on the package chosen. Your host(s) will help set up, coordinate any activities chosen and keep the room tidy. Child guests still require supervision by parents/carers throughout the party. Towards the end of the party, your host(s) will help you pack up and wish guests farewell. All cleaning of the room and tableware is done by your hosts.

## Catering Options

Our parties are not catered although you are welcome to take advantage of our optional Catering Packages. See Over for more info. When self catering we recommend going fairly light on, as kids are kept pretty busy in the gym and there is no enforced 'eating time'.

## What food can we bring if we self-cater?

You are more than welcome to bring any food or soft drinks that you like. You are able to store food in our fridge, or heat them up in our microwave. We ask that you please do not bring in nut products as we are a nut-free facility. Please note we do not have an oven.

## Can I bring my own cake?

You can certainly bring your own cake. We have fridge or freezer space that you can use to store the cake and a Cake table in the party room for display. We have a lighter for the lighting of candles. Can we bring alcohol? No, we are not permitted to have guests consume alcohol on the premises.

**Melissa C, Pascoe Vale**

'We just wanted to say how great things went for Eliza's party. She is still on a high and so are we. You guys run an amazing show.'
